Dear Titans,

**Moonshot Thinking**  
*"Breaking Free from the Comfort Zone"*

This year's journey is a quest for all of us to explore Moonshot Thinking as an opportunity to transform our lives and to raise this GOT organization's impact to a higher operating level.

From the great work we will perform in our familiar MIT Endicott House campus, I would love to be able to make the words of Margaret Mead ring true for this organization.

“Never doubt that a small group of thoughtful,  
committed, citizens can change the world.  
Indeed, it is the only thing that ever has.”

This journey's outcome depends greatly upon how we show-up. Be prepared to break-free from your comfort zone. At a minimum, we will be active participants; however, my greatest aspiration is that some of us will become contemporary Moonshot Thinkers working collectively to serve humanity.

I am deeply honored and grateful for the opportunity to serve every one of you in this special capacity as Chairman of Gathering of Titans 2015.

With Humility and Deep Gratitude,
